

## **Swilland and Witnessham Village Show Report**

The last show that was held was in July 2019. This was a very good show with a large number of excellent entries from a wide range of local people. We also had many visitors in the afternoon enjoying seeing the entries and chatting over tea and cakes, so kindly supplied by our WI.

We prepared for the 2020 show, decided on the schedule and had them all printed then Covid hit and the show could not go ahead.

Now onto 2022 and once again we can organise a show this year, July 9<sup>th</sup>. The committee have met and drawn up the schedule, arranged the judges and printing is being undertaken at the moment. We are very grateful for the support of the Parish Council this year towards the cost of the schedules as sadly we did not have the funds for this due to the failure of the show in 2020.

We hope you like the schedule for this the Queen's Jubilee Year and will be able to find many classes to enter. There is something for the whole family.

We look forward to receiving a bumper number of entries to make this show really special and one to remember after the disappointment of the last two years.

Anne Camp  
On behalf of the Village Show Committee.
