

## Village Show Report 18<sup>th</sup> April 2018

I am pleased to report that since we reincarnated the Village Show in this new format it has been a very successful villages community event.

A small team of us started it again in conjunction with the Community Group. This group has now disbanded and a smaller group of us continued to run the show.

Last year the show had more entries than ever and I think you will agree the entries were of a very high standard. It is fascinating to see what talent we have in all areas in our villages.

The success of the show obviously depends on entries but also on everyone in the community who visit on the day to support and encourage. We also had outside games and entertainment, last year a wonderful puppet show from St Augustines Church, and tea and cakes supplied and served by our WI.

Our work has already started for this year's show, which will be on Saturday July 14<sup>th</sup>, by deciding on the schedule and booking our experienced judges. In this month's In Touch you will have seen a preview of this year's schedule so you can start your preparations and everyone who receives In Touch will receive a full schedule delivered in June. Anyone else who needs a schedule there will be several pickup points. Entries are not limited to people from our villages and we welcome all entries especially from the school children who may come from out of the area.

As I said earlier we are a very small group and would welcome more help, especially on the day, so please talk to me, Liz Farrow, Rosemary Nicholls or Andrea Keyland if you think you can help.

We are looking forward to receiving your entries as usual and to meeting as many of you as possible on the day.
