

Witnesham Area Pre-school has had a positive year this year. Our numbers have increased and we are now open 9am-3pm Monday-Friday. Financially we are stable and if our numbers stay the same we should be able to afford to pay the increased rents to SCC when that comes in to effect.

The classroom and unit adjoining our pre-school building is going to be demolished during the summer holidays and as part of this we are going to be given a new larger garden area and refurbishment of the parts of our interior which are affected by the demolition. We are also applying for grant funding to build a conservatory and landscape the garden. Robin Vickery has also kindly offered to support us in making our space more friendly for 2 year olds as our number of younger children has increased.

Once all the work has been completed we are planning a grand reopening at the start of September to show off our new facilities. If you would like to know more about the works or would like to offer your skills to help us in the refurbishment (anything from helping us to move the furniture out, to planting up our new garden area) then please do get in touch.
