Responding to issues in your community

During the month of August there were a total of 289 investigations in Woodbridge. This is an increase from July where we recorded 274 investigations. (Investigations relate not only to recorded criminal offences, but also safeguarding individuals). Parishes have been affected by, residential / garage / shed burglaries, thefts from motor vehicles, criminal damage and ASB incidents. Investigations also include reassurance and crime reduction surveys.

Making the community safer

Mobile Police Station visits as stated in future events. This will be the last visits the Mobile Police Station will be making due to the recent change of the Suffolk Policing Model. Visiting sheltered accommodation homes to provide reassurance to vulnerable residents. Speed Indicator Device going out and conducting our own Speed watch visits to areas that we receive complaints about.

Preventing, reducing and solving crime and ASB

Our team continue to provide a mobile and foot presence in and around the 'hot spot' areas where crime and ASB is occurring. We provided regular foot patrols of Woodbridge Town Centre, Wickham Market and surrounding areas. We work closely with our partner agencies. i.e. ASB Team and Local Housing Authorities to provide advice and support to victims of crime and those affected by the ASB.
