### Responding to issues in your community

Parking in Woodbridge town centre continues to be a topic raising concerns of local residents and business owners alike. SNT Officers participate in regular meetings with the Woodbridge Thoroughfare Community Consultation Group to ensure we deliver an appropriate and coordinated response. Parking fines will be issued when necessary.

### Making the community safer

A major concern of our local communities, across each ward, are speeding motorists. During our regular partnership meetings, local councilors representing their various parishes have identified areas of concern. Speed enforcement activity has taken place throughout the area on these identified roads and this will continue to happen throughout our SNT area.

### Preventing, reducing and solving crime and ASB

SNT officers have been meeting with local partners and representatives from the Martlesham Heath area to discuss and address reports of ASB use of motor vehicles. Officers have also been stopping offending motorists, giving address or enforcing offence were appropriate. Details of all drivers and vehicles are being recorded for a consistent approach.

### This SNT covers the following parishes
